WHAT OUR CLIENTS RECEIVE

SELLERS:

1. The best professional and ethical representation available.
2. The best written, detailed internet write-ups.
3. Unique after sales service to buyers which instills buyer confidence.

BUYERS - OUR CANADIAN LISTINGS:

1. Our listings are honestly described.
2. Listing prices are carefully checked to conform to current perceived market values. We will not overprice any yacht.
3. We ensure any boat we sell is properly suited to its intended use.
4. Amazing after sales service. Call for details.

BUYERS - U.S. OR OFFSHORE BOATS

1. Unsurpassed in-depth product knowledge gained the hard way as part of the international yacht building fraternity for many, many years.
2. Long term professional working relationships with yacht brokers around the world. *Any* unknowns are answered by one of our network of competent surveyors. No running around to look at mis-represented yachts by less than straight forward or incompetent brokers.
3. A four page properly detailed legal offer format accepted by the industry which protects your interests, period.
4. Unsurpassed negotiating capabilities and the ability to handle all after sales details. Everything at no charge to you!
5. We obtain better U.S. exchange rates than you can receive from your bank.
